Have you heard of

Miquela?

- ✓ 50 Million+ streams on Spotify
- ✓ 6 Million+ followers on social
- ✓ TIME Magazine's 25 most influential PEOPLE on the internet!

Not bad considering:

SHE'S NOT REAL!

Problem:

Cost per second of animation

HBO's Euphoria wanted to cast Miquela but even with a \$165M budget, they couldn't afford to.

Duration	Cost
Per Second	\$3K
Per Minute	\$180K
10 Minutes	\$2M
Per Hour	\$11M

Solution:

The best avatar generation technology in the world.

Dynamic animation at the cost of inference.

Proprietary 4D/ML Training

Authentically train from real human performances, enabling perfectly on brand real-time inference.
